AMENDMENT A

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed August 28, 1997, with a shortened three month response period, please amend the above-identified application and consider the following remarks directed to placing the above-captioned patent application into form for issue. Reconsideration is respectfully requested.

In the Claims:

1. (Thrice amended) An amusement entertainment system having image integration capability, having [a plurality of] at least one separate entertainment area[s], the system comprising:

a storage card capable of digitally storing image data, the storage card being transportable and usable in ^{wherein} said at least one [of the plurality of] separate entertainment area[s];
